ALL ABILITIES PROGRAM

*Australia Brings Inclusivity to Life,
Through Innovation, Transformation
In an Exercising Society*

PROGRAM DETAILS

AUSactive are excited to launch our new All ABILITIES initiative with the support from the Australian Government and managed by Sport Australia.

In line with quality service delivery, AUSactive are proud to prioritise AUSactive Accredited Businesses with the first opportunity to participate in the funded program.

Through educational training, your Exercise professionals will develop and implement a 12 week exercise program at your facility for people with a disability. This will include completing pre and post evaluation measures.

AUSactive will assist you to develop relationships with disability services providers and recruit participants.
